Iron Cotton-Ties-Important Specia Notice. Notice.

In view of the constant y increasing popularity and the demand for the Celebrated Arrow-Tie, the universally recognized favorite Tie of planters, cotton-pressmen and shippers of cotton generally, the American Cotton-Tie Co. Limited, sole proprietors and manufacturers of said Tie, commanding unequaled facilities, have, in addition to their large stock now on hand, contracted for increased quantities, sufficient to meet the largest demand for Cotton-ties to cover the entire crop of the coming season, and now, through their agents generally, offer the popular and irrepressible Arrow-Tie at \$2.50 per bundle, less 2½ per cent. discount for cash. In bundles complete, being less than the market value of plain hoop iron; and it being the purpose of the company to merit the continued patronage of the planting community, and defy all competition that may arise, their agents are in structed to contract with dealers, factors and country mercuants, at the above-named price and terms for future delivery, up to the 1st August in quantities as may be required from time to time, settlements being made on delivery. LAND TITLES. V. B. WADDELL,

Attorney-at-Law, General Land Agent,

And Proprieter of the Abstract of Land Titles

And In Tunica county, Mississippi. Look to your
land titles. I have now complete, a perfect Abstract
of Titles of all lands in Tunica county, Miss., as it
was before portions of the same were taken for Tate
and Quitman counties. This Abstract shows that
there are very few perfect titles in Tunica county.
Many of them are utterly defective, and there are
scarcely any that are not clouded by tax-titles. In
some instances I find that valuable planiations,
about the titles of which the holders have entertained no doubt, are held by titles that would avail
nothing before a court, either in prosecuting or defending a suit in ejectment. The defects in these
titles may generally be cured if they are ascertained
at once and the proper remedy applied. I will fur
nish abstracts on short notice, charging one dollar
for each conveyance noted on the abstract. Papable
on delivery.
